

Mrs. Jisha Lia George
Assistant Professor
Hindustan Institute of Technology and Science
jishalg@hindustanuniv.ac.in
Total experience (in years): 2

Research area: Cloud Computing,
Cryptography and Network Security

Recent Publications:

- Pavithra.B, Suchitra, S., Gino Sophia, S.G., **Jisha Lia George**, “SDN based energy efficient cloud data center networks”, International Journal of Innovative Technology and Exploring Engineering, Volume 8, Issue 12, October 2019, Pages 4250-4256, DOI: 10.35940/ijitee.L2703.1081219, Scopus, 2019.
- G Rajesh, G. Gifford Augustin, M Sheik Abdullah, **Jisha Lia George** “Alcohol Detection and Alert System in Vehicles Using Arduino” International Journal for Research in Applied Science and Engineering Technology Volume 7, Issue 04, April 2019
- **Jisha Lia George** “A Hybrid algorithm based on artificial fish swarm and Particle Swarm for effective job allocation in cloud data center”, International Journal of Advance Engineering and Research Development Volume 5, Issue 02, February 2018
- **Jisha Lia George** “Effective Allocation of Job in Cloud Data Centre Using Particle Swarm Optimization” has published in International Conference on Big Data and Cloud Computing 2017 Proceedings
- **Jisha Lia George** “Effective Allocation of Job in Cloud Data Centre Using Particle Swarm Optimization” has presented in International Conference on Big Data and Cloud Computing at Karunya Institute of Technology and Science, Coimbatore, April 2017
