Dr. K.Poonkavithai

Associate Professor

Hindustan Institute of Technology and Science

Total IT Experience (in years): 12

Total Academic Experience (in years): 8

kpoonkavi@hindustanuniv.ac.in

Research Area: Software Engineering and Artificial Intelligence

POONKAVITHAI KALAMEGAM, Dr.; DHAYA C, Dr.. Power Consumption Prediction based on Infrastructure for Technical Educational Institutions. International Journal of Engineering & Technology, [S.l.], v. 7, n. 4.6, p. 590-593, sep. 2018. ISSN 2227-524X.
