

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

- B. Tech - ECE with Specialization in Electronics Manufacturing Technology
- M.Tech - ECE with Specialization in Digital Image Processing Embedded and Real Time Systems
- M.Tech - Defence Technology with Specialization in Communication systems & Sensors

Salient Features of the department

- Collaborative and integrative Teaching Learning Pedagogy
- Opportunity to be a part of 75 student Satellite Mission Launch by enrolling with KCG Satellite Project
- 95% Consistent performance in Academics and Placement
- Prominent Alumni in Qualcomm, Texas Instruments, American Heart Society, Facebook and as entrepreneurs
- State-of-the-art Laboratories (3 Industry-supported labs)
- Centre for Sensors and Process Control (CENSE) and Underwater Robotics and Communication (URoC)
- 60+ students pursuing Higher Studies in International Institutions
- Value added International certification Program - 5G Technology
- MoUs with various eminent industries
- Industry oriented programs and internships
- Merit, sports and corporate scholarships for admission

Industry Support & Placement Partners

Specialization in Electronics Manufacturing Technology

- Specialization Programme supported by
 - Centre of Excellence - Tamil Nadu Smart and Advanced Manufacturing (TANSAM) for Electronics Manufacturing
 - Centre of Excellence in Electronics Test Engineering in association with QMAX Test Equipment, Chennai
 - IIITM for Electronics circuit and Prototyping lab practices
 - SANMINA CORPORATION - Internship with Placement
 - Internship support from AICTE
- Corporate mentorship for interns and placements in core sectors
- Credit Transfer certification courses from SWAYAM / NPTEL

ADMISSION ENQUIRY

+91-97896 68280 | +91-86680 90692 | 1, Rajiv Gandhi Salai (OMR), Padur, Kelambakkam.
+91-98411 49540 | +91-44-2747 4262 | Chennai - 603 103.
