

FACULTY PROFILE

Mr.S Srinivasan, M.E, (Ph.D)

Assistant Professor (Senior Scale)

Hindustan Institute of Technology and Science

ssrinivasan@hindustanuniv.ac.in

Experience: 12years

Research area: Power Electronics and machines

Recent Publications:

- Open loop and closed loop analysis of Solid State Transformer” inInternational Journal of Applied Engineering Research” Volume-10, No-2 March2015
- Dual Active Bridge -a good candidate for Solid State Transformer, IEEEExplore Digital Library,2017
- Modelling of Solid State Transformer for smart grid Applications, Springer LNEE, October 2020
