

FACULTY PROFILE

Name : Dr. Sankar.P, B.Sc,M.E, Ph.D., FIE

Designation: Professor

Department of ECE,

Hindustan Institute of Technology and Science

mail ID: psankar@hindustanuniv.ac.in

Experience:25 in years

Researcharea: Networking, Communication, Multimedia &Artificial Intelligence

Recent Publications: (last 5 years)

1. SankarP et al, Data Science – Growth Forecast and Impact onBusinesses and Institutions., Academia Letters, Article 2922. 2021
<https://doi.org/10.20935/AL2922>
2. Sankar P, et al,” Diagnosis of Type-2 Diabetes using Classification and Mining Techniques”,InternationalJournalofEngineeringandAdvancedTechnologyISSN:2249–8958,Volume-9, Issue-3,February2020.
3. SankarP et al,” SpamDetectioninLinkShorteningWebServices through Social Network Data Analysis”, Springer sponsored 3rd International Conference on Data Engineering and Communication Technology (ICDECT)2019.
4. Sankar,P.et al,” A non-invasiveapproachforthediagnosisofType2diabetesusingHRVparameters“,Internati onal.Journal. Biomedical Engineering andTechnology, Vol. 26, No. 1, pp.71–83,2018
5. Sankar. P, et al” Queue Management Scheme to Control Congestion in A Vehicular based Sensor network” IEEE-sponsoredInternationalConferenceonInventiveSystemsandControl,(ICISC2018),19&20,,pp.:919-923,2018.
6. Sankar.P et al, “An ExperimentalStudyoftheNoiseDuetoTrafficinaCongestedUrbanArea”,Fluctuation and Noise Letters, Vol. 15, No. 1 2016, (doi:10.1142/S0219477516500103

Projects:

Achievements: Best Reviewer Award 2017 Got the best reviewer award form Elsevier journal in the year 2017
