

Dr. A. X. Amal Rebin

Associate Professor

Hindustan Institute of Technology and Science

axamalr@hindustanuniv.ac.in

Total Experience (in years): 17

Research Area: Magnesium Alloys/Composites, Aluminium Alloys/Composites, New Product Design.

Recent Publications:

1. R. Christu Paul, R. Balaji, A.X. Amal Rebin, Jason Charles Karmokar, Modification in Variable Gear Ratios Along with Fuel Saving Technology, International Journal of Innovative Technology and Exploring Engineering (2019), Volume 8, Issue 12, Pg 2367-71.
2. A.X.Amal Rebin and S.Kumaran, Some studies on extruded ZM21-x Scandium magnesium alloy, OPJIT International Journal of Innovation and Research (2014), Vol 3, No1,Pg 40-43 .
