

Mr. R. SATHISH BABU

Assistant Professor

Hindustan Institute of Technology and science

[rsathish@hindustanuniv.ac.in](mailto:rsathish@hindustanuniv.ac.in)

Total Experience(in Years): 15

Research Area: Composite Materials in Aircraft Structure.

**Recent Publications:**

1. M. Kannan, R. Sathish Babu & S. Sathish, “Experimental investigations on the performance and emission characteristics of CI engine fuelled with biodiesel from neem oil”, International Journal of Ambient Energy, DOI: 10.1080/01430750.2020.1726812, 2162-8246 (Online), March, 2020
2. A. John Presin Kumar, G. Ravikumar Solomon, S. Sivakumar, S. Sathish, S. A. Harikrishnan, R. Sathish Babu, “ Pollution Hazard Caused By Anti-Disease Drugs In Hospital Environments Near Chennai”, International Journal of Recent Technology and Engineering (IJRTE), Volume-8 Issue-3, September 2019.
3. Micha Premkumar T, Sathish Babu R, Vinoth Kumar M, Hariram V, Seralathan S, “ Numerical Simulation Of Hydrodynamic Cavitation In Centrifugal Pump”, International Journal of Innovative Technology and Exploring Engineering (IJITEE) , Volume-8 Issue-11, September 2019.
