

CRITERION II - Teaching Learning and Evaluation

METRIC	PARTICULAR
2.1.3	Average percentage increase in the enrolment of learners in the DDE over the last five years

HEI INPUT	Number of learners with fresh Enrolment Admission into next semester (re-registration), year - wise during last five years.
-----------	---

Year	2021-22	2020-21	2019-20	2018-19	2017-18
No.of learners with fresh Enrolment	141	0	0	0	0

DVV CLARIFICATION	HEI RESPONSE
DVV partner observation the values of fresh enrolment of learners in years prior to 2021-22 is zero , HEI to amend ; HEI to affix the list of learners enrolled (program-wise) and passing to the next semester for the metric 2.1.3	<p>The DDE programmes are approved in Sep 2020 and the admission begins from 2021-22. Hence, the value of fresh enrollment of learners in years prior to 2021-22 is zero. However, during preparation of SSR the portal was not accepting any values lesser than 1 for the fields provided. Hence value was entered as 1 for the years prior to 2021-22.</p> <p>The percentage of variation to be considered as 100 % as first year assessment data.</p> <p>Annexure Template https://hindustanuniv.ac.in/assets/naac/dvv/213a.xlsx</p> <p>Enrollment Data https://hindustanuniv.ac.in/assets/naac/dvv/213b.pdf</p>
