### GUEST LECTURES / SEMINARS/CONFERENCE/WORKSHOP ORGANIZED DURING THE PERIOD (2012 – 2017)

S.NO.	DATE	CATEGORY	TOPIC	GUEST DETAILS	UNIVERSITY	COUNTRY	BRANCH	NO. OF PARTICIPANTS
<b>2012 - 2013</b>								
1	5.1.2012	Conference	Pre-conference distinguished lecture as part of CAADRIA 2012 - "Situating Architectural Computing within Design & Research	Ar. Shajay Bhooshan, Lead Designer	ZAHA Hadid Architects, London	U.K.	School of Architecture	200
2	3.2.2012	Guest Lecture	Increasing Low Speed Engine Response of a Downsized CI Engine Equipped with a Twin-Entry Turbocharger	Prof.Denis Marchant Faculty Faculty of Science, Engineering and Computing	Kingston University	U.K.	School of Mechanical Engineering	100
3	8.2.2012	Seminar	Engineering in U.K University	Prof.David Newall SeniorLecturer, School of Design, Engineering and Computing	Bournemouth University	U.K.	School of Computing Sciences	100
4	25.4.2012 - 28.4.2012	Conference	CAADRIA 2012 - 17th international Annual Conference of the Association for Computer Aided Architectural Design Research in Asia	Mr. Andrew Li, President, CAADRIA Prof. Mark Burry, Professor of Innovation Mr. Thomas Fischer, Chair – Paper selection committee Mr. Tomohiro Fukuda Mr. Bob Martens, e-Caadia Mr.Thomas Kvan Padma SRII C.N. Ragavendran	Athlone Research RMIT University Xi'an Jiaotong-Liverpool University Osaka University University of Technology University of Melbourne CRN Architects	Japan Australia China Japan Vienna Australia Chennai	School of Architecture	400
<b>2012 - 2013</b>								
5	26.9.2012	Seminar	Higher Education for Engineering Students in the United States	Dr.Ratna Sinha, Associate Director	Southern Illinois University Carbondale	USA	Second and third year students of U.G. & P.G. Programs	100

6	11.10.2012	Seminar	Studying in the U.S.A	Dr. Kuriakose Athappilly, Professor of Business Information Systems	Western Michigan University	USA	Second and third year students of U.G. & P.G. Programs	100
7	18.12.2012	Guest Lecture	Introduction to Software Testing	Associate Dean (International) of Faculty of Information and Communication Technologies	Swinburne University of Technology	Australia	Computing Sciences and School of Electrical Sciences	130
8	18.12.2012	Guest Lecture	Design of VLSI DSP Architecture to meet application requirements	Prof. Ismat Hijazin Associate Dean (International)	Swinburne University of Technology	Australia	School of Computing Sciences and School of Electrical Sciences	130
9	13.3.2013	Guest Lecture	Future of Information	Dr. Jonathan J Foster, Professor	Sheffield University	U.K.	School of Computing Sciences	100

### 2013 - 2014

1	21.7.2013 & 22.7.2013	Workshop	Low cost in construction	Mr. Markus Heinsdorff, Architect & designer, Germany; Dr. J. Boeke, Professor	University of Applied Science	Germany	School of Architecture	300
---	-----------------------	----------	--------------------------	---	-------------------------------	---------	------------------------	-----

### 2013 - 2014

2	22.7.2013	Guest Lecture	Mobile spaces, works of Markus Heinsdorff	Mr. Markus Heinsdorff, Architect/Designer	Goethe Institute	Germany	School of Architecture	200
3	6.8.2013	Guest Lecture	Intelligent Nanomaterials	Dr. Satheesh Krishnamoorthy, Professor	Open Univeristy	U.K.	CENCON	120
4	22.8.2013	Seminar	Higher Education Opportunities and Challenges	Mr. T. P. Srinivasan	Former Ambassador	Chennai	School of Management - HITS & NIMS	155

5	26.9.2013	Workshop	Citizen Participation in City Planning	Ms. Ane Franck, Professor	Technical University Berlin	Germany	School of Architecture	200
6	30.9.2013	Guest Lecture	"Embedded Systems", and "Information Security"	Dr. Bernice Houle, Associate Dean of the Seidenberg School of Computer Science and Information Systems	Pace University	New York	Second, Third, Final Year U.G and Second Year P.G. Program	101
7	30.9.2013	Seminar	Higher Education in the U.S. vs. other countries	Ms Jody Lehr-Associate Director, International Outreach.	Rochester Institute of Technology	New York	Second, Third, Final Year U.G and Second Year P.G. Program	101
8	15.11.2013	Workshop	Characterization of nanomaterial	Dr. Jun Lee, CEO; Dr. N. Ganapathi Subramaniam, Professor, Quantum Functional Semiconductor Research Center	Coxem	South Korea	CENCON	120

### 2013 - 2014

9	6.12.2013	Guest Lecture	Digital Tools & Physical Systems	Mr. Jens Boeke, Professor	University of Applied Science	Germany	School of Architecture	300
10	6.12.2013	Guest Lecture	Challenges faced in Cross-Cultural Research & Neuromarketing	Prof. Antonis Simintiras, Deputy Dean for Internationalisation, School of Management.	Swansea University	U.K.	MBA Students of HITS & NIMS	130
11	16.12.2013 18.12.2013	Workshop	How to be an effective researcher	Dr. N. Sundararajan, Former ISRO Scientist and Project Engineer SLV3 and Professor	NTU	Singapore	Research Scholars	60
12	30.1.2014	Guest Lecture	The Future of Computing	Dr Kate Dingley, Professor, School of Computing	University of Portsmouth, U.K	U.K.	School of Computing Sciences	130

13	7.2.2014	Guest Lecture	Engineering Sustainability: Engineers as Leaders in Facing Global Change	Dr. Jonathan Bridge, Program Director of Civil & Environmental Engineering Dept.	University of Liverpool	U.K.	School of Building Sciences	130
14	21.2.2014	Seminar	Technology Enhanced Learning Today	Mr. Jeremy Blain, Managing Director	Cegos Asia Pacific Pte Ltd	Singapore	Senior faculty members of Hindustan University	200

### 2014 - 2015

1	27.6.2014	Seminar	To promote Australian Endeavour scholarship awards and other research scholarship programs at Hindustan University	Mr. Martin Landauer, Consul (Economic)	Australian Consulate General	Chennai	Third year and final year students of U.G. and P.G. Program. Faculty from HITS, KCG and HCAS	150
2	30.6.2014	Guest Lecture	SOA and Cloud Computing for Software Engineers	Dr. Robin Doss Associate Head of School, School of Information Technology	Deakin University	Australia	School of Computing Sciences	150
3	30.6.2014	Guest Lecture	Digital Security in the Information Age	Dr. Robin Doss Associate Head of School, School of Information Technology	Deakin University	Australia	School of Computing Sciences	150
4	30.7.2014	Guest Lecture	Environment responsive facades	Dr. Pravin Bhiwapurkar, Ohio School of Architecture & Environmental Design	Kent State University	USA	School of Architecture	200

5	20.8.2014	Guest Lecture	Design Optioneering	Ar. Vignesh Srinivas Kaushik, Alumni and Researcher, Design Automation Lab	National University of Singapore	Singapore	School of Architecture	299
---	-----------	---------------	---------------------	--	----------------------------------	-----------	------------------------	-----

### 2014 - 2015

6	12.9.2014	Guest Lecture	Big Data Problems in Social Media Analytics	Dr. Thomas Hatrick Chair Professor, Electrical & Computer Engineering	Stevens Institute of Technology	USA	School of Computing Science	200
7	12.9.2014	Guest Lecture	Financial Engineering	Dr.Khaldoun Khashanah, Professor , System Engineering	Stevens Institute of Technology	USA	School of Master of Computer Application and School of Management	200
8	18.9.2014	Guest Lecture	Engineering Behind making of bloodhound	Mr. Alex Green, Professor	University of the West of England, U.K	U.K.	School of Automobile Engineering	60
9	18.9.2014	Guest Lecture	Air Pollution and its Effects	Dr. Prashant Kumar, Professor	University of Surrey, U.K	U.K.	School of Building Sciences	120
10	18.9.2014	Guest Lecture	IT & Computer Science	Dr. David Jenkins, Professor	Plymouth University	U.K.	School of Computing Sciences	200
11	18.9.2014	Guest Lecture	Manufacturing System Design	MrTerence Perera, Professor	Sheffield Hallam University	U.K.	School of Mechanical Engineering	60
12	23.9.2014	Guest Lecture	Building a strong career foundation in the United States	Dr. Jeffrey P Bakken, Associate Provost for Research. Dean of Graduate School	Bradley University	USA	First year U.G. students	80

### 2014 - 2015

13	29.9.2014	Guest Lecture	Global aviation industry – Fuel Edge	Dr. Raghavan Professor College of Business	Embry Riddle Aeronautical University	USA	School of Management	120
14	12.11.2014	Guest Lecture	IT in Management	Dr Ravi Seethamraju, Professor	The University of Sydney	Australia	Students and faculty from HCAS & HU	200
15	18.11.2014	Guest Lecture	Aircraft Pressurisation – How and Why?	Dr. Martin Fiddler, Faculty of Aeronautical Department	Staffordshire University	U.K.	School of Aeronautical Engineering and School of Management	100
16	18.11.2014	Guest Lecture	Engineering Product Design	Dr. Martin Fiddler, Faculty of Aeronautical Department	Staffordshire University	U.K.	School of Aeronautical Engineering and School of Management	100
17	25.11.2014	Seminar	Free Education for Master's Degree and Research	Prof. Kadri-Ann- Matson, Head of International Admission	Tallinn University of Technology	Estonia	First year U.G. students	100
18	19.12.2014	Guest Lecture	Adaptive Building Envelopes. Concepts of holistic Building Design	Prof. Dr. Uta Pottgiesser, Dean School of Architecture	University of Applied Science, Detmold	Germany	School of Building Sciences	250
19	20.1.2015	Seminar	Architectural Acoustics – Experience and Experiments	Dr. Ramani Ramakrishnan, Professor in Architectural Science	Ryerson University, Toronto	Canada	School of Architecture	200
<b>2014 - 2015</b>								
20	28.1.2015	Seminar	Opportunity for Hindustan Students, faculty and research scholars at Deakin University, Australia	Mr. Dhruv Mohan, Manager – Marketing & Business Development (India)	Deakin University	Australia	Top ten rank holders of U.G. & P.G. Programs	100
21	4.2.2015	Seminar	Fundamentals of Vacuum technology, Basics of semiconductor technology	Dr.Tae Won Kang , Professor, QSRC	Dongguk University	Korea	CENCON	120

22	2.4.2015	Seminar	Scholarships and program available for the students of Aeronautical Engineering	Ms.Evgenia A. Sidorova Lead Specialist Department of International Affairs	Moscow Institute of Physics and Technology, Russia	Russia	School ofAeronautic al Engineering	80
23	2.4.2015	Seminar	Master Program Scholarship 2015 at Russia	Ms.Reshmy Vijay Director	Education Matters	Chennai	Pre-final year and final year students of U.G. Program	80
24	10.4.2015	Seminar	Inspirational Talk Session	Mr. Stephen Fleming ,Former Captain	New Zealand Cricket Team & Coach – Chennai Super Kings	New Zealand	First students of U.G. Program	500
25	15.4.2015 - 17.4.2015	Conference	Computing, Communication and Energy Systems – 2015 (CESCON-2015)	Dr. Frank Johnson, Peng. Ceng, FIET, President	Ottawa Instrumentatio n Ltd.	Canada	Electrical Sciences and School of Computing Sciences	200
26	30.4.2015	Seminar	Scholarship Program	Ms.Nidhi Kumari, Office of International Affairs, Center for International Students and Scholars	Sejong University	Korea	Pre-final year and final year students of U.G. Program	100

### 2015 - 2016

1	2.7.2015	Seminar	4 +1 Masters Program ofStevens Institute of Technology	Dr. Shobi Sivadasan, Associate Dean for Graduate Admissions	Stevens Institute of Technology	USA	Pre-final year and final year students of U.G. Program	100
2	15.7.2015	Seminar	Role, Mission and Challenges of the Air Arm of Indian Navy	Cmde (Retd) R.Seshadri Vasan,Former Regional Commander – Coast Guard	Indian Navy	Delhi	CDTS	200
3	15.7.2015	Seminar	Role, Mission, Challenges and capabilities of Indian Air Force to Exercise the Air power”	Air Marshal (Retd) S.Varthaman	Indian Navy	Delhi	CDTS	200
4	15.7.2015	Seminar	India’s Growing Military strength in the Region-Role of Military Air Power	Air Marshal (Retd) S.Varthaman	Indian Navy	Delhi	CDTS	200

5	21.7.2015 & 22.7.2015	Symposium	Centre for Clean Energy and Nano Convergence (CENCON) organized Indo Sweden Clean Energy Symposium (ISCES 2015) titled "Materials for Energy Harvesting and Storage"	Prof. Rajeev Ahuja, Professor, Department of Physics and Astronomy	Uppsala University, Sweden	Sweden	CENCON	200
				Dr. Borje Johansson, Professor	KTH KTH Royal Institute of Technology	Sweden		
				Dr. Tae Won Kang, Professor, QSRC	Dongguk University	Korea		
				Dr. Palani Balaya , Professor	National University of Singapore	Singapore		
6	26.8.2015	Guest Lecture	Engineering and IT careers in Australia	Dr. Baskaran, Associate Dean (International) Faculty of Science Engineering & Built Environment	Deakin University	Australia	Pre-final year and final year students of U.G. Program of School of Building	100
<b>2015 - 2016</b>								
7	27.8.2015	Guest Lecture	5G Networks	Dr. Maged Elakashlan, Lecturer, Computer Science and Electronic Department	Queen Mary University of London	U.K.	and final year students of School of Computing Sciences	100
8	31.8.2015	Seminar	How to write a good Statement of Purpose	Ms. Ina Kaul Sharma, Senior Consultant, Postgraduate Admissions	University of Warwick	U.K.	School of Management	120
9	10.9.2015	Guest Lecture	Formula 1 – Carbon Brakes	Dr Peter C Brooks – School of Mechanical Engineering	University of Leeds	U.K.	School of Mechanical Engineering and Automobile Engineering	100
10	10.9.2015	Seminar	Opportunities available for higher studies in USA	Ms. Joanne R. Jody Lehr, Associate Director	Rochester Institute of Technology	USA	School of Management	120
11	14.9.2015	Seminar	Higher education opportunities at University of East London	Prof Michael Seed, Professor of Pharmacology, School of Health, Sport and Bioscience	University of East London	U.K.	Department of Biotechnology	20
12	14.9.2015	Seminar	Cheminformatics and Drug Designing	Professor Neville Punchard Dean of Health, Sport and Bioscience	University of East London	U.K.	Department of Biotechnology	20

13	16.9.2015	Seminar	Soft Computing	Dr.Emerson Raja, Professor	Multimedia University	Malaysia	Computing Sciences	120
14	23.10.2015	Seminar	Microwave Package Design Fundamentals	Dr. Michael Heimlich, Professor, Faculty of Science and Engineering	Macquire University	Australia	School of Electrical Sciences	120
<b>2015 - 2016</b>								
15	2.11.2015	Guest Lecture	Towards 5G Network Communications: Prospects and Challenges	Dr. Naveen Chilamkurti , Department of Computer Science and Information Technology	La Trobe University	Australia	School of Computing Sciences	120
16	21.11.2015	Guest Lecture	Business Strategy in India	Mr. Sang Woo Alex Kim, Managing Director / CEO	Hankook Elevator & Materials Pvt. Ltd	Chennai	Korean students of Busan University of Foreign Studies in connection with Business Mind Program	6
17	21.11.2015	Seminar	Korean Companies in India	Mr. Seokju Lee , Director	Samsung – SDS	Korea	Korean students of Busan University of Foreign Studies in connection with Business Mind Program	6
18	25.11.2015	Seminar	Latest Research Trends	Dr. Janis Grundspenkis, Professor, Department of Artificial Intelligence and Systems Engineering	Riga Technical University	Lativa	Research Scholars	60
19	28.11.2015	Seminar	Characteristics of Business in India	Mr. Minjoon Park, Director, Korea Business Centre, Chennai	Embassy of the Republic of Korea, KOTRA	Chennai	Korean students of Busan University of Foreign Studies in connection with Business Mind Program	6
20	5.12.2015	Seminar	Employment Opportunities in India	Mr. Jang Kangseok, Assistant Manager – KOTRA	Embassy of the Republic of Korea, KOTRA	Chennai	Korean students of Busan University of Foreign Studies in connection with Business Mind Program	6
21	28.12.2015	Seminar	Engineering Beyond Boundary	Dr. S. Josephy Antony , Associate Professor, Institute of Particle Science and Engineering	University of Leeds	U.K.	Research Scholars	60

22	12.1.2016	Seminar	Modern Marketing Communications	Dr Alby Anand Kurian, Management Professional	Management Institute of Singapore	Singapore	School of Management	60
23	20.1.2016	Guest Lecture	Technical Entrepreneurship Talk - 2016	Mr. Glenn Turner President & CEO	Fire Stream World Wide Inc.,	USA	School of Computing Sciences	200
24	25.1.2016	Seminar	European Swedish Education System and Nobel Prize	Prof. Rajeev Ahuja, Professor, Department of Physics and Astronomy	Uppsala University	Sweden	CENCON & School of Aeronautical Engineering	100
25	4.2.106	Guest Lecture	Helicopter Controls and Aerodynamics	Prof. Martin Fiddler, Faculty of Computing Engineering and Technology	Staffordshire University, United Kingdom	U.K.	School of Aeronautical Engineering	250
26	5.2.2016	Seminar	Essential Skills for Employment	Mr. Rafael Brisita, Chairperson/Associate Professor, Aircraft, Construction & Manufacturing Technologies	San Antonio College, United States	USA	Final yearstudents of U.G. Program.	100
27	8.2.2016	Guest Lecture	Application of Optics	Dr. Nakkeeran Kaliyaperumal, Sr. Lecturer, Faculty of Electrical & Electronic Engineering	University of Aberdeen	U.K.	School of Electrical Sciences	100

### 2015 - 2016

28	9.2.2016	Guest Lecture	Footloose Management	Ms. Doreth Rutten	Skema business school	France	School of Management	120
29	12.2.2016	Guest Lecture	Smart sensing and Intelligent Systems	Dr. Subhas Mukhopadhyay, Professor	Massey University	New Zealand	School of Electrical Sciences	100
30	15.2.2016	Guest Lecture	Data Analytics and related opportunities	Prof. John Yearwood, Head of School of Information Technology	Deakin University	Australia	School of Computing Sciences	200

31	26.2.2016	Guest Lecture	Cloud Computing	Dr. Horacio Gonzalez Velez Professor	National College of Ireland	Ireland	School of Computing Sciences	60
32	26.2.2016	Guest Lecture	Sustainable Construction and Energy – A European Context	Dr. Derek Sinnott Head of Department of the Built Environment	Waterford Institute of Technology	Ireland	School of Building Sciences	60
33	3.3.2016	Guest Lecture	Developing Innovative IoT and Smart Sensor Technologies for High-impact Applications	Dr. Anirudha Desai, Director, Centre for Technology Infusion – College of Science, Health and Engineering	La Trobe University	Australia	School of Electrical Sciences	100
34	4.3.2016	Guest Lecture	Climate Change & Microwave Telecom	Dr. Kevin Scott, Senior Lecturer, Department of Engineering	University of Hull	U.K.	School of Electrical Sciences	100
35	21.3.2016	Symposium	HITS – Dongguk University Joint Symposium on “Technologies for Clean Energy and Environment”	Dr. Tae Won Kang, Director Quantum Functional Semiconductor Research Center	Dongguk University,	Korea	are full Time Research Scholars, P.G. students from EEE/ECE / EIE	250
36	28.3.2016	Seminar	Internship at Hyundai Motor India Limited for the Korean students of EIBIS Program	Mr. Gook Tai Kim General Manager – Human Resources	Hyundai Motor India Limited	Kancheepuram	Korean students of EIBIS Program	6
37	31.3.2016	Seminar	Scholarship opportunities for Master’s Program and Internship at Tomsk Polytechnic University, Russia	Dr. Liudmila Larina Deputy-Director for International Education and Collaboration	National Research Tomsk Polytechnic University	Russia	School of Computing Sciences and School of Electrical Sciences	100
38	5.5.2016	Seminar	Teaching & Learning Engineering – The New and Old Way	Dr. Ragbir Bhathal, Professor, Engineering and Construction Management	Western Sydney University	Australia	Research Scholars	60
<b>2016 - 2017</b>								
1	25.7.2016	Seminar	The role of students in politics and service to humanity	Mr. Armoogum Parsuramen, Director	UNESCO	Delhi	Pre-final year and Final year students of U.G. Program	80

2	26.7.2016	Seminar	Renewable energy systems - Electrochemical Energy Storage for stationary applications	Dr. Palani Balaya, Professor, Department of Mechanical Engineering	National University of Singapore	Singapore	Ph.D Scholars and UG/PG students of School of Electrical Sciences	80
3	26.7.2016	Seminar	Renewable energy systems - Bio-gas upgrading by chlorella vulgaris	Mr. Mathin Jaikua , Researcher, School of Renewable Energy Technology	Naresuan University	Thailand	Ph.D Scholars and UG/PG students of School of Electrical Sciences	80

### 2016 - 2017

4	27.7.2016	Seminar	Renewable energy systems - Bio-Energy configuration in Thailand	Dr. Sahataya Thongsan, Professor, School of Renewable Energy Technology	Naresuan University	Thailand	Ph.D Scholars and UG/PG students of School of Electrical Sciences	80
5	27.7.2016	Seminar	Renewable energy systems - Smartgrid development in Thailand and SERT	Dr.Kongrit Mansari Researcher, School of Renewable Energy Technology	Naresuan University	Thailand	and UG/PG students of School of Electrical Sciences	80
6	30.8.2016	Guest Lecture	Smart Grid Innovations for India	Dr. Haile-Selassie Rajamani, Senior Lecturer, School of Electrical Engineering and Computer Science	Bradford University	U.K.	School of Electrical Sciences	100
7	12.9.2016	Guest Lecture	Life Saving Capsule Robots	Dr. Pietro Valdastrì, Professor of Robotics and Autonomous Systems	University of Leeds	U.K.	School of Mechanical Engineering	150
8	14.9.2016	Guest Lecture	Global Human Problems	Dr. Douglas B. Shaw, Senior Associate Provost for International Strategy	George Washington University	USA	final year students from the Department of Aero/Civil /	250
9	27.9.2016	Seminar	Academic Co- Curricular Programming to Foster Student Growth	Dr. John Sunnnygard, Executive Director, Office of International Affairs	University of Colorado , Denver	USA	final year students from the Department of	250

10	29.9.2016	Seminar	Managing your skills & Presentation on IPSA	Ms. Stéphanie Loup-Caestecker, Director - International Relations	The Institut Polytechnique des Sciences Avancées	France	School of Aeronautical Engineering	250
11	4.10.2016	Guest Lecture	PERCEPTION - Value and Price	Mr. Gautam Billore, Professor	Linnaeus University	Sweden	School of Management	120
12	5.10.2016	Guest Lecture	Human Resource Management	Mr. Hamad Ebrahim Al Shaibeh , Manager Human Resources	Aluminium Bahrain	Bahrain	School of Management	120
13	6.10.2016	Guest Lecture	Why Climate Technologies are so Important	Dr. Dagnija Blumberga, Professor, Director of Institute of Energy Systems and Environment	Riga Technical University	Lativa	School of Building Sciences	60
14	27.10.2016	Seminar	How to make portfolio	Ms.Kaajol , Regional Admissions Coordinator-India	Laureate Design University	Italy	School of Architecture	120
15	27.10.2016	Seminar	Cross-curricular Research and Teaching	Dr Paul Inman, Dean of the Faculty of Technology, Design and Environment	Oxford Brookes University	U.K.	Research Scholars and final year students of School of	100
16	3.2.2017	Seminar	Unparalleled growth and development in Western Sydney and world: how the business community is responding	Dr Wayne Fallon Senior Lecturer, School of Business	University of Western Sydney	Australia	School of Management.	120
17	6.2.2017	Guest Lecture	Air Crash Investigation	Prof. Martin Fiddler Senior Lecturer, Aeronautical Engineering	Staffordshire University	U.K.	School of Aeronautical Engineering	100
<b>2016 - 2017</b>								
18	13.2.2017	Guest Lecture	Ultra-small spin filters for Next generation Magnetoelctronics	Dr. Ranjit Pati, Professor, Department of Physics	Michigan Technological University	USA	U.G students of CHEMICAL/ AERO/ ECE.	200

19	20.3.2017	Seminar	Opportunities available for Exchange and Internship Program at France	Rhea Chery Shivan, Manager	Campus France	Chennai	Pre-final year and final year students of U.G. Program	120
20	22.3.2017	Guest Lecture	Bio-energy & Applications	Dr. Malinee Kaewpanha, Lecturer, School of Renewable Energy Technology	Naresuan University	Thailand	School of Electrical Sciences	200
21	6.4.2017	Seminar	Innovation for Olympic Success	Dr. David James, Director Centre for Sports Engineering and Research	Sheffield Hallam University	USA	PED Sports Students	50
				Dr. Ajayan Vinu, Professor of Nano materials (Guest of Honour)	University of South Australia	Australia		

22	6.4.2017	Conference	Sustainable Environment and Energy (ICSEE'17)	Valerie Kaller Spitzer, Senior Scientist, Environment and Health (Chief Guest)	University of Strasbourg	France	School of Building Sciences and School of Electrical Sciences	300
				Dr. Ray Ogden, Professor and Associate Dean Research(Paper Presentation)	Oxford Brookes University	U.K.		

**2017 - 2018**

1	20.7.2017	Guest Lecture	Intelligent Robotic Arm for Dimensional Control	Dr. Ravindra Thamma, Professor of Robotics & Mechatronics	Central Connecticut State University	USA	Electrical and Electronics Engineering, and School of Mechanical	200
2	21.8.2017	Guest Lecture	Current trends in the Aviation Industry in South East Asia and Career options in Aviation	Ms. Krishti Chatterjee, Director of International Affairs	Embry-Riddle Aeronautical University	USA	School Aeronautical Engineering	200
3	8.9.2017	Guest Lecture	Aerospace materials today	Dr. Martin Jackson, Senior Lecturer and Director of Aerospace Engineering	Sheffield University	U.K.	School Aeronautical Engineering	100
