

Students Achievements

- First place in the International NASA Contest 2010 for the project titled DESIGN OF A ROTOR COMBINED SUB-SONIC TILT ROTOR.
- First place in the SAE INDIA STUDENT CONVENTION 2010 Aero-modeling Competition.
- First place for conducting the Best TIER II Event of SAE INDIA Student Convention 2010.
- Student of Aerospace Engineering was selected to attend the Lunar Exploration Analysis Group (LEAG) Meeting, 2010 held in Washington D.C. U.S.A. and presented a paper. Student was invited by the Director NASA to witness the launch of the Atlantis Space Shuttle from the Kennedy Space Centre.
- Student from the School of Architecture the Young Computer Aided Architectural Design Research Association (CAADRIA) Award at the International Conference at Hong Kong. The student also won the "Best Thesis Award'10" from Archiprix International, the most prestigious award for any architecture student.
- Six Students attended a specialized Training Programme on Automotive Engineering organized by Steinbeis Transfer Centre for Automotive Engineering in Esslingen University in January 2011 for a period of 6 weeks.
- In the Combined Annual Training Camp (CATC) 2010, held at Puducherry, Flying Cadet of Hindustan University won the gold medal in the Cross Country Race and was also adjudged the best cadet.
- Student of the School of Mechanical Sciences won, "The Mahindra Auto Quotient 2010", National Level Auto Quiz Contest conducted by Mahindra and earned a free trip to Geneva, Switzerland for the Geneva Motor Show 2011.
- A student of Mechanical Engineering received the state-level "Best NSS Volunteer" award for 2010-11
- A student of Aeronautical Engineering stood 2nd place in the 42nd National Mathematics Talent Competition conducted by the Association of Mathematics Teachers of India.
- Ms. Jayashree Sridhar, Department of Aeronautical Sciences did research on lunar & planetary science at NASA Johnson Space Center, Texas.
- Students of Hindustan University participated in Formula SAE International competition held at Italy on September 2012. Hindustan University was one among the teams that represented India.
- Students of Hindustan University participated in the NASA GREEN AVIATION 2012 competition and won the first place in the Non-US category at NASA Environmentally Responsible Aviation

(ERA) Project in which 250 teams participated.

- **Four Students from the School of Aeronautical Sciences participated in Spirit Global Design Challenge (SGDC) 2012 Global Design Competition for designing Aircraft for carrying a capacity of 165 passengers conducted by Spirit Aero systems Inc USA and won the 2nd prize.**
- **A student from the Dept of EIE designed an Andro Humanoid Robot in 2012. The robot is the first in India and 14th in the world.**
- **Two students from the School of Management Studies won one scholarship each from the Korean Aerospace University during the International Summer Internship Program Scholarship for outstanding involvement and excellence in academics.**
- **Three students of Automobile Department won first prize during the Channel V Nokia India Fest 2013.**
- **Two students of School of Building Sciences won the second prize in “National Level Innovative Ideas Competition” 2012 conducted by Entrepreneurship Development Institute EDI, Ahmedabad.**
- **Hindustan Mars Rover team has been selected for the finals of University Rover Challenge-2014 organized by Mars Society, USA at NASA’s Mars Desert Research Centre, Hanksville, Utah, USA. 200 teams from around the world participated and 31 teams were selected. Hindustan Mars Rover team is one among the 7 teams that have been qualified from India.**
- **Hindustan Mars Rover team has been selected for the finals of University Rover Challenge-2014 organized by Mars Society, USA at NASA’s Mars Desert Research Centre, Hanksville, Utah, USA. 200 teams from around the world participated and 31 teams were selected. Hindustan Mars Rover team is one among the 7 teams that have been qualified from India.**
- **Mr. Shaik Rakheeb of ECE, 1st year won the third prize in the National Mathematics Talents contest (NMTC 2015), held recently. More than 1 lakh students at All India Level participated in the event.**
