Hindustan Institute of Technology & Science (HITS), a deemed to be University, is one of the most sought after institutions in Chennai, Tamil Nadu, India offering a wide spectrum of Undergraduate, Postgraduate, Research and Doctoral Programmes in diverse fields of Engineering, Technology, Architecture, Management, Fashion, Arts and Design, Aviation, and Arts and Sciences.

HITS is accredited with an “A” Grade by the National Assessment & Accreditation Council (NAAC), Govt. of India; approved by AICTE; HITS is reputed for its highly qualified and competent faculty and excellent infrastructural facilities for curricular and extracurricular activities. The student community comprises of students from all over India and Overseas. The institution hosts 14 Centres of Excellence with sophisticated and advanced facilities for focused Research. The institution has established global collaborations with Institutes and Industries to promote Faculty & Student Exchange Programmes, Joint Research, Consultancy Projects, Conferences and Events. HITS is renowned for its accomplishments in Sports. World-class play courts over 15 acres designed exclusively for indoor and outdoor games, and recreational activity is worth mentioning. Besides, Y’s Men International, Round Table India, Rotary International, National Cadet Corps (NCC), National Service Scheme (NSS), Youth Red Cross (YRC), and Student Clubs are active all over the year.

HITS is bestowed with Good Green Governance Award for the seventh consecutive time in recognition of environment friendly initiatives in its lush green campus. The institute ensures that highest standards of quality is implemented in all spheres to build a strong future for the student community and nation at large.
The office of International affairs (OIA) works to make the Hindustan Institute of Technology and Science (HITS) a global hub for Higher Education. In the 21st Century, international engagement is not an option anymore: as noted in HITS’s Academic plan, it is core mission, essential to thriving, intellectually robust, academic community. It is part of the normal functioning of every school, department and center.

We provide services for international aspirants, students, interns, faculty and scholars enrolled or have come as exchange students or faculty to HITS. Our goal is to enable Foreign and NRI students to have a successful academic, cultural and personal experiences while studying with us. Our office facilitates student and staff exchange programs (as part of MoUs signed with partners, Mevlana, Erasmus+ exchange programs), twinning programmes, joint research, study abroad, summer program, International study tour, competitions, cultural exchanges and youth festival, internships, etc for our students and faculty to gain international exposure through an extensive network of partner collaborators. At HITS, we view the presence of international students on our campus as an opportunity for students and community members to gain broader knowledge of the diverse and multicultural world we share. The office of International affairs organize numerous activities for national and international students and provide information about partner universities, exchange possibilities and scholarships.

HITS places strong emphasis on its international relations and maintain a close network with our partner institutions. After signing over 110+ MoUs with various universities and institutions in more than 35 countries, our campus is witnessing an exponential growth in the collaborative R&D activities, Student Exchange, Faculty Exchange, Study Abroad, Summer Programs, Guest Lectures, International conferences, Co-Supervision of Research scholars, etc., We have been active in Mevlana Exchange Program and now joined Erasmus+ Program. Guest lecturers from abroad are regularly invited to deliver special talk at our campus. We encourage all our students to spend at least one semester abroad, either at a university or for a work placement. We also have signed an MoU with AISEC through which students apply for internship abroad and HITS is able to source interns with foreign perspective to spend 3 months-one year with us. Students also have the opportunity to learn foreign languages in the courses offered by our Language Center.

INTERNATIONAL OPPORTUNITIES FOR FACULTY & STAFF MEMBERS

- Academic Staff Exchange
- Faculty on Deputation
- Joint Research & Consultancy
- Moocs and Virtual Class Rooms
- International Conference
- International Delegate Visits

INTERNATIONAL OPPORTUNITIES FOR STUDENTS

- Semester Exchange
- Study Abroad
- Twinning Programs
