

		
<p>Emerging Researchers with creative dynamism for promising innovations are invited to join Hindustan, a blossoming Deemed University with a rich heritage and commitment for excellence. It has a vision to become one of the best research universities in the country by the end of this decade. More than 400 research scholars are pursuing research at Hindustan Institute of Technology and Science. The scholars have opportunities to collaborate with international universities, research centres and industries in India or abroad.</p>

Consistently good academic record	Publications in WoS / Scopus / IEEE Indexed Journals/ Conference Proceedings etc.,
Minimum 75% marks obtained in UG & PG	Book Publications
Achievements and awards	Achievements and awards

- **Highlights**
- Full time PhD students are encouraged to present their research work at international conferences.
- Scholars can have Joint Supervisors from Industry, R&D Organizations and National Institutions of Repute and Collaborating Universities from abroad.
- Scholars also can carry out part of their research work in Laboratories of Collaborating Universities and Research Centres.

Application for JRF – An Opportunity to pursue Research in Germany & India

Applications are invited from highly motivated and eligible candidates for the post of Junior Research Fellow (JRF) under the DAAD (German Academic Exchange Service) – “A New Passage to India-German – Indian Higher Education Co-operation 2019” scheme sponsored research project

Name of the Position	Junior Research Fellow (JRF)
Age Limit	The upper age limit for the JRF is 30 at the time of appointment
Fellowship	The fellowship will be as per the project norms.
Duration	Initial appointment will be for two years, which is extendable up to two more years, solely based on performance
Title of the project	<p style="text-align: center;">“Study on Innovative concept for Vehicle and Traffic Safety”</p> Field of Study: Vehicle Integrated Safety – Passive Safety-Crash Simulation-Impact analysis – passenger cars - Formula vehicles and Off-Road Racing vehicles
Essential Qualification	<ul style="list-style-type: none"> • Master of Engineering/ Technology in Automobile Engineering /Mechanical Engineering. • Preference for the candidates with valid GATE Score
Desirable	<ul style="list-style-type: none"> • Expertise in LS - Dyna/ Hyperworks / Madymo / MATLAB / CATIA software • Candidates with knowledge of German would be preferred • Candidates must have a valid Passport • Candidate has to register for PhD if Selected
How to apply	Interested candidates are requested to submit the detailed CV via E-mail: auto@hindustanuniv.ac.in , researchoffice@hindustanuniv.ac.in on or before 13 th June 2021. Shortlisted candidates will be called for interview. Interview may be conducted through online mode.

ADMISSION PROCEDURE

Admission is generally offered on the basis of academic credentials, written test and interview.

Applications can be filled online with payment of Rs.1080/-

The completed application forms should contain following Documents.

1. Passport size Photo (2 nos.)
2. UG & PG Degree certificate (Photocopy)
3. UG & PG Mark sheet (Consolidate / Semester Mark sheet)
4. Latest Curriculum Vitae (CV)
5. A brief write up of the desired area of research.
proposed topic of Research in the following format:
 - Abstract
 - Introduction
 - Review of Literature

- Objectives
- Research Design
- Materials & Methods
- Expected outcome
- References

1. No Objection Certificate from the employer (For Part –Time Ph.D. program)
2. Demand Draft / Online payment for Rs.1080/- drawn in favour of HITS, Padur.

Important Dates

Last date for Application submission - 25th May 2021

Tentative date for Written test and Interview - 31st May 2021 to 04th June 2021
