**Founder, Hastaswara**

Ms. Sangeetha Agarwal ('96), established Hastaswara Performing Arts ([www.hastaswara.com](http://www.hastaswara.com)) with the aim of promoting and spreading the Indian classical art forms of Bharatanatyam and Carnatic music in Northern Virginia, Maryland, and Washington, D.C. On 4 June, '23, Ms. Sangeetha hosted a thematic music & dance presentation in the DC metro area. Few alumni of HGI and office bearers of Hindustan Americas Alumni Chapter graced the event.

Sangeetha, a trained Bharatnatyam dancer in the well-known Kalakshetra style of dance and a Carnatic Vocalist and teacher, has given several performances in India and the US. Her performances have been attended by dignitaries from govt. of Maryland and Her Excellency Smt. Nirupama Rao, Indian Ambassador to the US.

Sangeetha has supported many non-profit organizations that have a decided impact on the local and the international community. Some of the notable causes include the South Asian Dance Evolution, a benefit in support of joint surgical mission trips to Sri Lanka & the Philippines. She has helped fundraise towards Unique Foundation's cancer research efforts, and she has helped raise money towards education of poor children in India, Pakistan and Bangladesh for Empowers Inc.

In addition to teaching the students of Hastaswara, she guest lectures on Carnatic music at the University of Mary Washington every semester. In May 2012, Sangeetha received a Governor's Citation from the Governor of the Commonwealth of Virginia for enriching the lives of Virginia residents through arts and culture.

**We wish her a successful and a happy Creative Journey!**
