

International Conference on
**Robotics, Automation and
Non-destructive Evaluation
2022 - RANE 2022**

**Organized by
Centre for Automation & Robotics
(ANRO)**

Our Sponsors

CLAWAR

SPEAKERS INCLUDE:

Prof Mohammad Osman Tokhi
Robotics and Head of Cognitive
Systems Research
London South Bank University, UK

Prof Tariq Pervez Sattar
TWI Chair and Director of the London
South Bank Innovation Centre,
London South Bank University, UK

Ahmad Athif Mohd Faudzi
Director, Centre for Artificial
Intelligence & Robotics
Universiti Teknologi Malaysia,
Malaysia

Prof S Venugopal
Director, National Institute of
Technology
Nagaland, India

**Submit abstracts
before
08 January 2022
and Share your
ideas to the world!!**

**4-5
MARCH 2022**

CALL FOR PAPER

- Robots
- Intelligent Automation
- Safety Standards for Robots and Systems
- Intelligent Automotive Systems
- Application of Robotics & Automation
- Control Systems & Methods
- Condition monitoring
- Components of Robot
- Evolutionary Robotics
- Machine Vision
- IoT Based Automation Systems
- Artificial Intelligence
- Machine Learning
- Control Theory and Optimization Technique
- Sensors & Signal Processing
- Mechatronics
- Modeling & Simulation
- Virtual & Augmented Reality *and allied areas*

**Accepted papers will be published in
CLAWAR Proceedings**

For Registration visit:
