Sub: Physical classes for students of UG / PG programs – Commencement from 7th February 2022, Monday – reg

Tamilnadu Government announced that physical classes for the College / University students will commence from 1st February 2022. However the University has already announced physical classes for UG & PG students from 7th February 2022 (Monday).

It is confirmed that physical classes for all UG & PG students will commence from 7th February 2022 as scheduled earlier. The Full Time Research Scholars have to report to the campus from 1st February 2022 (Tuesday).

No online classes will be conducted from 7th February 2022 (Monday) for the students and attendance is based on the physical presence in the campus.

The students who are coming from other states have to submit the result of RTPCR test taken 48 hrs prior to arrival to the campus.

The students should follow Covid protocols in the campus as given below.

- 1. Wearing of Masks.**
- 2. Maintaining Social Distance**
- 3. Hand Hygiene by applying sanitizer or washing with soap as often as possible.**

The students should report to Campus Clinic immediately, if there are any Covid related symptoms where Rapid Antigen Test facility is available for Covid.

All the students should report for the physical classes from 7th February 2022 without fail.
