

HINDUSTAN

INSTITUTE OF TECHNOLOGY & SCIENCE
(DEEMED TO BE UNIVERSITY)

School of Allied Health Sciences

DIPLOMA IN GENERAL DUTY ASSISTANT (DGDA)

SALIENT FEATURES

- Summarize the different types of records and files to be maintained.
- Identify the various hospital equipment and its working procedures.
- Gain knowledge about the care of patients and doing examinations.
- Illustrate the various First Aid measures.

CAREER OPPORTUNITIES

- ➔ They can serve in Ambulatory Healthcare Services, Government Hospitals, state, local, and private continuing care retirement communities, and assisted living facilities for the elderly.
- ➔ Nursing care facilities (skilled nursing facilities) and residential care facilities are required at hospitals and homes at all hours.
- ➔ As the baby-boom population ages, nursing assistants and orderlies will be needed to help care for an increasing number of older patients in nursing and residential care facilities.

Duration: Two Years with an Internship

ABOUT THE PROGRAM

It is a two-year program consisting of four semesters. It helps in identifying and using the various equipment related to nursing. Students acquire skills to demonstrate the various first aid procedures for the caring of patients. It also facilitates higher studies in the field of the allied health sector.

Eligibility: A minimum 50% pass in HSC /Plus Two or Equivalent with Biology as a subject

- ➔ Older people are more likely than younger people to have disorders such as dementia or live with chronic diseases such as heart disease and diabetes. More nursing assistants will be needed to care for patients with these conditions.
- ➔ Besides, patient preferences and shifts are increasing the demand for home and community-based long-term care, leading to increased opportunities for nursing assistants working in home health and community rehabilitation services.
