## PROGRAM OPPORTUNITIES

- A Physician Assistant is one of the most popular career options in assisting Doctor. In the healthcare sector the demand for Physician Assistants is very high.
- Some of the popular sectors are: Private and Government Hospitals; Diagnostic Centers; Health Care Centers; Emergency Care Units; and Educational Services Nursing Homes.

## BACHELOR OF SCIENCE PHYSICIAN ASSISTANCE (B.Sc.P.A)

Duration: Three Years with an Internship

## ABOUT THE PROGRAM

This is a 3-year, full-time undergraduate program. A Physician Assistant works under the supervision of Doctors and Physicians and provides support to healthcare teams. They are commonly known as PA, and they usually provide primary medical services to physicians in all domains, including surgical procedures. The program is also a stepping stone for those aspiring to pursue higher studies such as M.Sc., Ph.D., and other pursuits. After completing BPT, students can go for employment both in government and private hospitals and even resort to private and personal practice.

B.Sc Physician Assistant programme is conducted by HITS in collaboration with Frontier Lifeline Hospital, which is one of the best Cardiac Speciality Hospitals in Chennai. It's Medical Science Park enables students to carry out research with its well-equipped labs, simulation centres, libraries and classrooms.
